CELEBRATING OUR THIRD HALF TERM

As we come to the end of another busy half-term, there is so much to celebrate. All our learners achieved attendance awards, with no learner below 93%. Amazing.

With the delivery of the cars in December of this half term, we have ventured out and about, and with great excitement, we would like to announce that Allerthorpe School is further committed to enhancing outdoor education by embarking on the National Outdoor Learning Accreditation (NOLA)—a prestigious programme that recognises excellence in outdoor learning.

We are proud of Jenny Walker, who was promoted to Assistant Principal last week. She is a dedicated and fabulous teacher with lots of experience in different teaching fields. She will be working hard on the next stage of our development and the opening of KS4 in September 2025.

We hope you have a wonderful half-term holiday. We will see all learners back on Monday, February 24th.

SAFEGUARDING Changes

Allerthorpe School, safeguarding is at the heart of everything we do, ensuring all our learners are safe, supported, and protected. Our Designated Safeguarding Lead (DSL) has changed to our SENCO Jackie Stevens with, Sarah Grove and Christine Hancock as our Deputy DSLs, who are dedicated to maintaining a high standard that Allerthorpe school prides itself on keeping.

We are pleased to announce and welcome Jessica to our school family. She will start after the school half term and will join our year 7 classes.

With great excitement, we would like to announce that Eddie our therapy dog in training, has passed his silver award. He has two more awards to go before he is a fully qualified Therapy Dog.

Next term, some learners are taking part in some offsite PE lessons, learning to bolder climb.

Careers News

Year 9 learners attended their first event, highlighting the different careers, future opportunities and preparing for adulthood in further education in January. The Learners were able to listen to trainers and colleges about what they offer and how to apply. The learners were able to ask questions as they went around the careers fair in Hull.

In the next term, we have planned a careers day for all our learners so they can investigate the different jobs that they may wish to aspire to. Career speakers from a range of backgrounds, including the armed forces, business, and industry, will be present. We will help the learners create a future pathway that will show each learner what they need and the different pathways they can choose to succeed in their dream career.

Parents are invited to a careers afternoon tea event in the summer term on June 12th at 2 pm so we can discuss and show you the opportunities your child may take after year 11.

Main Dates for your diaries:

Save the Date for Allerthorpe Art Event
